

Uniforms for K2

Pre-K2 students do not have to follow the same uniform dress code (but if their sizes are available and that is what the parent desires to purchase, that is fine) as the other NGCA students. However, two year olds should be dressed in modest apparel with the school colors.

Our school colors are maize, navy, hunter green, and white as solid colored shirts. Shirts and blouses must have sleeves. Shorts, skirts, jumpers, and pants are to be solid colored navy or true khaki. Shoes should properly fit the child's feet and not allow the feet to slide. Therefore, no flip flops, crocs, or sandals are permitted. No boots are allowed as these may damage the gym floor. **The best option is a pair of sneakers with Velcro fastenings.**
